

RESPONSIBLE

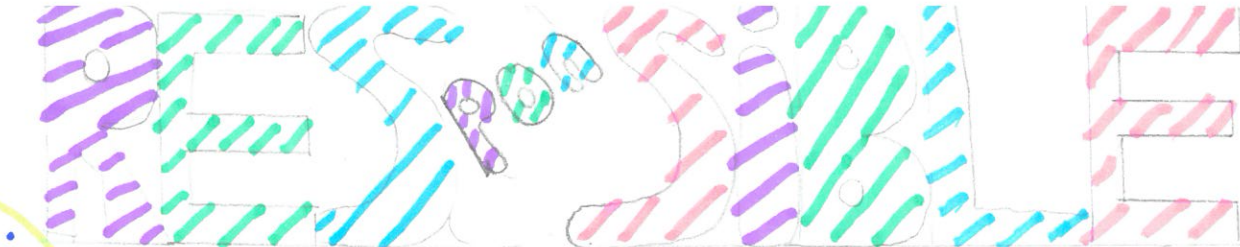

Ruby takes care of your computer properly. Also do not copy work from the internet and saying it is yours. And make sure that a game online is ok for you.

Games

RESPECTABLE

Asking permission from people for photos. Also don't say anything rude or post a photo that it is rude or will hurt peoples feelings.

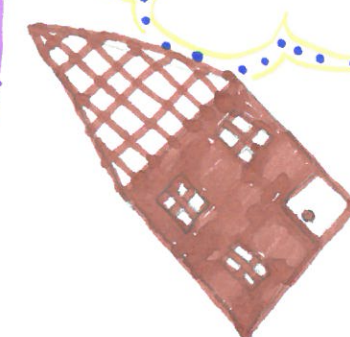

Ruby came from the world of technology and was made by the safe, responsible and respectable ways but as you are (class 2 I think that you can do it to.)

RUBY

SAFE

She tries to keep you safe in the online world like where you live, like your home address, phone number and your passwords / your passwords needs to be sensible.

Password: ## Smile / happy
